At the moment the editors of the '69 Torch are rushing to meet our final deadline. It's the middle of winter and everyone is getting a bit bored after being home for two weeks; spring and graduation seem a long way off. But, unbelievably, as each of you reads through The Torch it will be June and our Senior year, in which we have all found rich friendships, much happiness and a few tears will be over. We have worked to fill this book with ideas and memories which, we hope, will help each of you remember better the years we spent growing up.

Nancy has contributed a great deal of her time this year to cropping pictures and planning pages. She and Peter have filled The Torch with excellent artwork. P.J. kept pages organized and reminded the rest of us that deadlines were near. In the tradition of Sports editors at Silver Lake, Ron has singlehandedly composed this section. Joan and Al have organized the Ad and Sponsors Drives so we could pay our bills. Our advisors, Mr. Weeks and Mr. Tallen, have kept us going through our slumps, and Mrs. Cherry has given us her time and help since Mr. Weeks' accident. To each of these people I, and I think all of you, owe a great deal of praise and thanks, for without them this book would never have been possible. Thank you all.

# Student Life

Your children are not your children.  
 They are the sons and daughters  
 of Life's longing for itself.  
 You may give them your love but  
 not your thoughts.  
 For they have their own thoughts.  
 And you may house their bodies but  
 not their souls.  
 For their souls dwell in the house  
 of tomorrow, which you can not  
 visit, not even in your dreams.

STEVE + Ed + Rollie + Brian +  
**GUNG-HO!**  
Pete + Steve + Jim + Genet + Ray

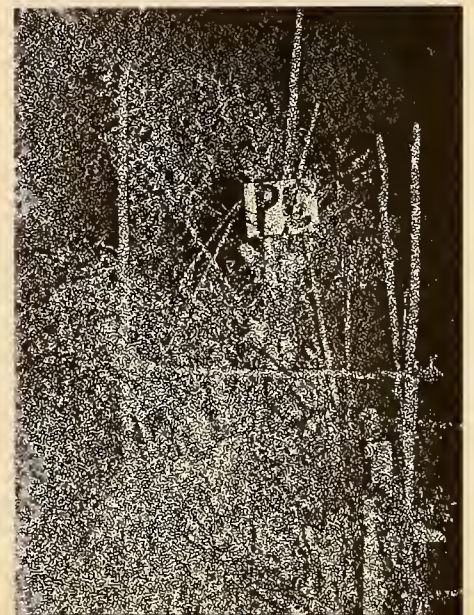

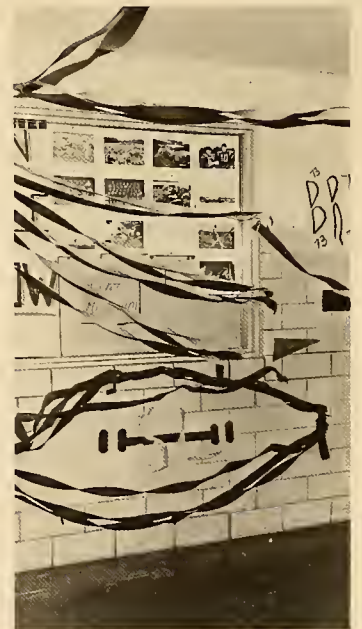

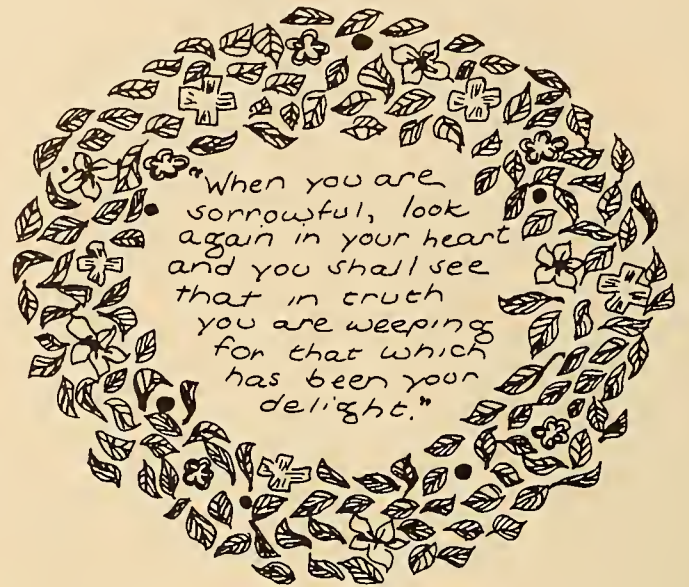

"Your friend is your needs answered.  
 For you come to him with your hunger,  
 And you seek him for peace.  
 And when he is silent your heart  
 ceases not to listen to his heart;  
 For without words, in friendship, all  
 thoughts, all desires, all expectations  
 are born and shared, with a joy  
 that is unacknowledged."  
 — Rumi

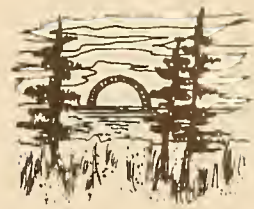

When love beckons to you follow him,  
 Though his ways are hard & steep.  
 And when his wings enfold you yield to  
 him,  
 Though the sword hidden among his  
 pinions may wound you.  
 And when he speaks to you believe in him,  
 Though his voice may shatter your  
 dreams as the north wind lays  
 waste the garden.

*"The mist that drifts away  
at dawn leaving bur dew  
in the fields, shall rise and  
gather into a cloud and  
then fall down again in  
rain."*

Let not the waves of the sea  
 separate us now, and the  
 years you have spent in  
 our midst become a  
 memory...  
 Much have we loved you. But  
 speechless was our love,  
 and with veils has it been  
 veiled...  
 And ever has it been that love  
 knows not its own depth  
 until the hour of separation."

## Junior Miss Pageant

Each year the Halifax Jaycees sponsor a Junior Miss Pageant for Silver Lake's senior girls. The girls are rated on scholastic achievement, talent, originality, poise, appearance, and personality. The winner receives six-hundred dollars in scholarships and a chance to go on to the state and perhaps the national pageant.

This year's contestants were: Stephanie Arruda, Diane Casey, Pamela Crudup, Karen Donnelly, Deborah Glass, Deborah Wrightington. Vickie Wrightington was chosen Silver Lake's Junior Miss for 1969 with runner-up Deborah Moore and second runner-up Deborah Glass. Diane Casey won the talent competition with a skit, in which she parodied "Lady Bird" Johnson. Vickie sang "Love is Blue" in French and accompanied herself on the classical guitar.

## ***JUNIOR PROM***

### Hawaii is Forever

Across the waves and tides of distant seas,  
There lie the mystic isles of lasting love.  
And there is where I wish I now could be,  
To see the pale blue moon so high above.

The palm trees sway in warm Hawaiian wind,  
And surf rolls in upon golden sands.  
I think of other places I have been,  
Though none so fairly touched by Nature's hand.  
Before my life on this small earth is done,  
I'd like to see those isles so far away  
And bask beneath the warm Hawaiian sun,  
Around the many beaches, coves, and bays.

This night shall fade to be recaptured never  
Hawaii shan't; Hawaii is forever.

"Bam jam, bob dob it ..."

Mr. Little's temper flared up again as the Senior Class presented *The Fighting Littles* on Friday, November 22, and Saturday, November 23, under the direction of Mr. Donald Randall and Mrs. Maxine Lamb.

The senior actors portrayed a family facing the problems of "the generation gap." A very frustrated Mr. Little worried about his daughter Goody's wild friends, especially Ham, her favorite. Much to his dismay he discovered that Filmer, the son whom he thought he knew so well, had fallen in love with Ham's sister Antoinette. Henriette's arrival and Goody's dating Norman Peel provided still more causes of anxiety for the "terrible tempered Mr. Little," while Mrs. Little constantly tried to soothe her family's outbursts.

The cast and crew enjoyed presenting the comedy as much as the audience enjoyed watching it. *The Fighting Littles* proved to be a thoroughly enjoyable experience for all.

Psychology Class, Periods I, II, or III, Room 201:

"Freud's major contribution to psychology was his theory of psychoanalysis." ... "Who likes pie?" ... T mazes ... "According to J. B. Rhine." ... ESP ... "Quiet now." ... "Dreams are the royal road to the unconscious." ... A Mickey Mouse watch ... "From 79 to 93 per cent of the general population can be hypnotized." ... Oedipus Complex ... "What I want to do today is ..." ... "Right, Nancy?" ... The Warlock of Westborough ... "Diagram the hierarchy of needs." ...

He cares about his students. This quality makes Mr. Richard Bergeron a fine teacher. Calm, patient, always willing to help, he never raises his voice in anger, or degrades his students. Caring enough to give his students a chance, he trusts them as individuals and responsible adults.

Mr. Bergeron's efforts are not confined to the classroom. For the Psychology Club, one of his favorite projects, he arranged many lectures. Distinguished personalities came to school at his invitation to present programs on Witchcraft, Extra Sensory Perception, Psychiatric Social Work and Yoga. Few of us will forget David Hoy's demonstration of ESP, or the tales of Westborough's warlock.

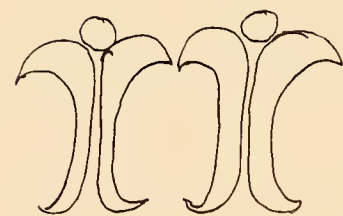

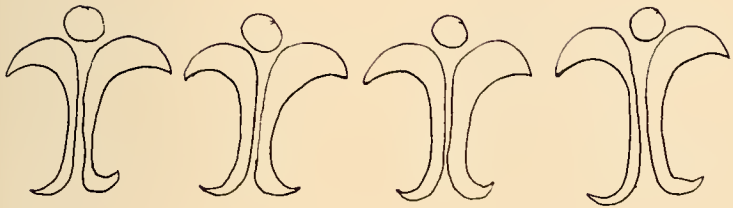

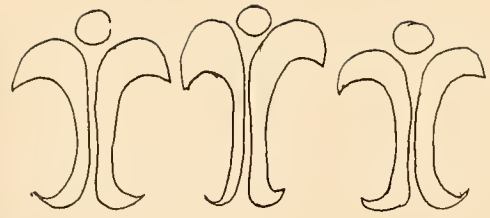

Mr. Bergeron established another program this year which is rewarding both to the psychology students involved and to the school children they work with. Under Mr. Bergeron's direction students have had the opportunity to work with emotionally disturbed children, to give them extra individual attention and care.

As director of the Faculty Drug Committee, Mr. Bergeron arranged programs to inform students and their parents about drug use and abuse. One especially helpful program during school hours provided small group discussions with members of Project Place, an organization which had some success in working with runaways and drug users in Boston. In the evening and after school the guest speakers answered questions and consulted with interested students and adults.

One measure of a person's greatness is his ability to accept and use constructive criticism. Mr. Bergeron not only accepts criticism, he invites it. Silver Lake's former psychology students received survey forms which included questions about their present occupations, college backgrounds, and evaluations of their high school psychology course. In the letter accompanying the forms, Mr. Bergeron explained that the information would help him better to prepare his students for their lives after graduation.

The class of 1969 dedicates its *Torch* to Mr. Richard N. Bergeron, a teacher who possesses the most important qualities of understanding and sensitivity.

## ***SCHOOL COMMITTEE***

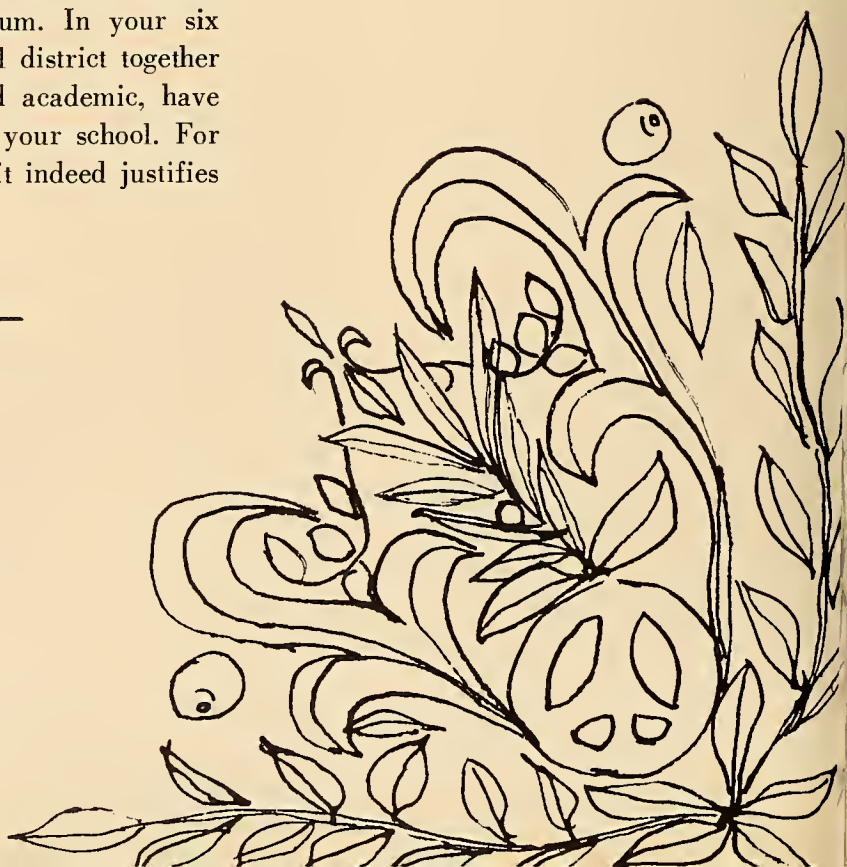

It is with great pride that the members of the Silver Lake School Committee take this opportunity of extending congratulations to the graduating Class of 1969.

Your School Committee is continuing to plan the facilities which classes to follow yours will need in the near future. Along with planning for the anticipated growth of our member towns and the rise in school population, your Silver Lake School will have to be ready and able to take advantage of new concepts in education. Our curriculum will have to be able to meet the needs of a rapidly changing society.

The concept of a regional school composed of students from four separate towns is no longer a new idea. It is by now a proven means of offering you the choice of a broader, more diversified curriculum. In your six years at Silver Lake, you have helped to weld the school district together into a viable unit. Your achievements, both athletic and academic, have been a credit to yourselves, and have brought honor to your school. For those of us privileged to serve on the School Committee, it indeed justifies the dozens of meetings we have had to attend.

## OFFICE OF THE SUPERINTENDENT

America is in a cycle of change. Youth is questioning the direction of this change and asks—yes, even demands—a voice in the decision. As you consider your position in relation to demonstration and protest, ask whether you want to be a part of the problem—or a part of the solution.

To the SENIORS:

This has been a memorable year in many ways. You have accepted the challenge made to you last September in our first assembly, namely, to make this school a better place simply because you are here.

Your record has been one of which you can be proud, but it is only a beginning. What you have accomplished as a class now becomes an individual responsibility.

You are just as obligated to make your community a better place through your efforts as you were to help your school grow.

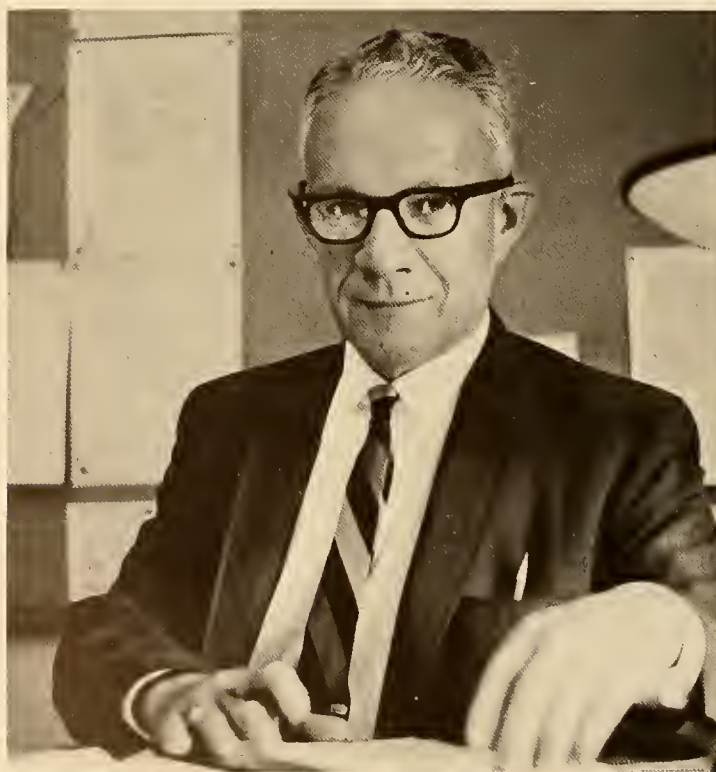

We are confident that you will not stop now that you are leaving us, but will lend your talents, whatever they may be, to the numerous worthwhile endeavors around you.

Our best wishes go to you for continued success wherever you may be.

# GUIDANCE DEPARTMENT

The Guidance Department in the Silver Lake Regional School District is responsible for providing services to students that help to compliment their academic program. Individual counseling services, designed to provide a student with the opportunity to discuss problems or courses of action in educational, social and community areas, are the prime responsibilities of the counselors.

## ENGLISH DEPARTMENT

It is the goal of the English Department to instill in each student a love of the English language, a feeling for words, and an ability to write in a style of his own. These goals are attained by courses in American, English, and World Literature. Additional training is provided in the grammar and mechanics of the language.

# *Activities*

## VOICE PRINTS

*Voiceprints* is a combination literary and art magazine. Students' artwork, poems and prose appear in *Voiceprints*. This activity is a new and imaginative project which is controlled and run solely by its student editors.

## LAKER LEGEND

The *Laker Legend* is our school newspaper. The *Legend* includes articles on sports, clubs, and other school activities. Staff members may also submit original works.

STAFF

## YEARBOOK

Each year several members of the senior class are chosen to serve as yearbook editors. Other members of the class volunteer to work on the staff and help with typing and other duties. Heading up the editorial staff are the Editor-in-Chief, Sports Editor, Literary Editor, Art Editor, and Assistant Art Editor. The two Business Editors organize the fund raising drives and conduct the sales campaign.

EDITORS

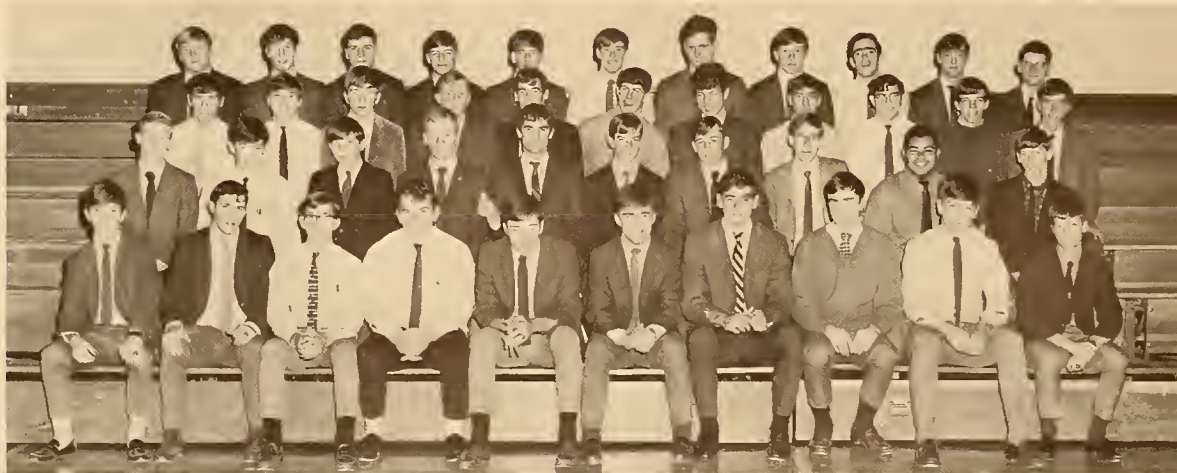

## ***HONOR SOCIETY***

The National Honor Society gives recognition to students with outstanding academic records and other desirable qualities. Honor Society members must maintain at least an eighty-five per cent average for all subjects. They are chosen by a faculty committee. Honor Society members receive special privileges such as free admission to school sports events.

## ***KEY CLUB***

The Key Club is a service organization sponsored by the Kiwanis Club. The purpose of the club is to develop leadership and citizenship among its members. The Key Club is involved with such projects as the Toy Drive at Christmas; the Thanksgiving Food Drive and selling refreshments at football games.

## ***CAFETERIA MONITORS***

Cafeteria monitors, headed by Mr. Montosi, keep the cafeteria efficiently operated during lunch times.

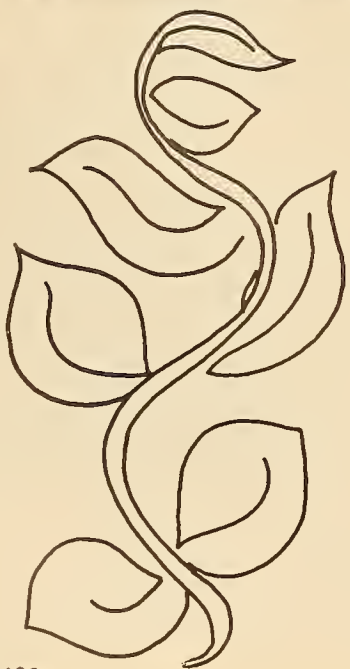

## ***PARKING LOT MONITORS***

Under the direction of Mr. Wallace Weeks the Parking Lot Monitors police the parking lot and ascertain that all vehicles have a parking lot sticker.

## ***HALL MONITORS***

At Silver Lake, as in any large school, there are many rules and regulations. To enforce these rules we have student monitors.

## OFFICE AIDS

The girls who work in the offices are selected by faculty and office personnel for their reliability and pleasing manner. Their duties are varied and are vital to the smooth operation of the school. It is a requirement that these girls maintain good grades in their subjects.

## HEALTH AIDS

Health Aids are a group of enthusiastic girls who assist the school nurse by performing various duties. These duties may entail some clerical work, running errands, and helping with physical examinations. These aids are a necessity because of the nurse's ever mounting tasks.

## GUIDANCE AIDS

Much of the routine clerical work of the Guidance Department is handled by guidance aids. These girls assist Mrs. Sherman and the guidance counselors during their study periods. Some of their tasks include calling students out of class, carrying messages, and organizing clerical material.

Qui sommes nous; où sommes nous; où allons nous?

## ***PHILOSOPHY CLUB***

## ***PSYCHOLOGY CLUB***

The Psychology Club is a group of students interested in the field of Psychology. Guest speakers from various parts of this field are invited to speak at club meetings. This year the Psychology Club is working on making a movie.

## ***FUTURE FARMERS***

The Future Farmers of America are very active in both agricultural and service projects. Some of the activities of this group include their annual Spring Plant Sale, a Christmas wreath sale, participation in the state F.F.A. judging contests, and visiting the children at the Lakeville Children's Hospital at Christmas time and in the Spring.

## ***HOME EC CLUB***

Initially the Home Economics Club gave girls who were unable to schedule Home Economics during class time an opportunity to become familiar with the Home Economics lab. The club's prime function is for the girls to be of service to the school and to their families, but it has also served as a source of enjoyment.

## ***FUTURE TEACHERS CLUB***

The Future Teachers of America is a national organization of high school students interested in entering the teaching profession. Teachers from various subject areas speak at the monthly meetings.

## ***FUTURE NURSES CLUB***

Because of the rapid growth of hospitals there exists in our country today an urgent need for qualified nurses. The Future Nurses Club hopes to fill the void by preparing high school students for nursing careers.

## ***STUDENT LIBRARIANS***

Student Librarians help to run the library during their study periods. Some of their duties are checking out books and arranging books and periodicals. The Student Librarians also help to arrange the display case in the corridor.

## ADVISORY BOARD

The Student Advisory Council is made up of the four class presidents, the President of the Student Council, the President of the Key Club, and the Principal of Silver Lake, Mr. Stanton. The purpose of the council is to provide a communications link between students and administration. To the council, students may bring grievances; from the council, the Principal may obtain views on administrative policies.

## STUDENT COUNCIL

The Student Council is our form of student government at Silver Lake. Each class elects representatives to the council which meets every Monday morning.

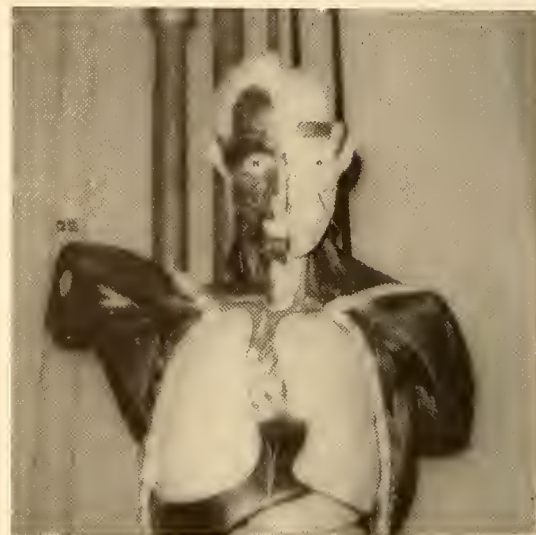

## SCIENCE CLUB

Students interested in the field of science may join the Science Club. Meetings, which are held monthly, include talks by guest speakers. The club also takes field trips under the supervision of its advisor, Mrs. McCulloch.

## CHESS CLUB

The game of chess is a very intriguing but complicated game, requiring considerable knowledge and skill. The Chess Club serves to acquaint students with the game and to help them to gradually progress to a high level of proficiency.

## GYM LEADERS

Gym leaders give up their free periods to lead gym classes and otherwise help out Mr. Montosi or Miss Annis. Their help is very much appreciated by the two instructors.

## ***FUTURE BUSINESS LEADERS***

The Future Business Leaders of America is an active organization comprised of business students who desire to further their knowledge of the business world. It is the aim of the organization to develop competent and aggressive business leadership. To obtain this goal, F.B.L.A. seeks to instill the qualities of character, citizenship, scholarship, patriotism, and school loyalty in the members. Meetings are held twice a month and exchange meetings are held in conjunction with the Whitman-Hanson chapter of F.B.L.A. The club also sponsors assemblies and field trips.

## ***DISTRIBUTIVE EDUCATION***

Distributive Education is a program for students who desire on the job training as part of their high school programs. Students who enroll in this program take regular classes during the beginning of the day. In the afternoon, they leave school for their part time jobs. Students are graded by their employers on their performances at work.

## ***DELTA UPSILON OMEGA***

Delta Upsilon Omega is a service organization open to all students in the Business Department. Secretarial work is solicited from teachers and students to perpetuate the memory of a former teacher, Miss Dorothy W. Oliver.

## ***ANNOUNCING STAFF***

The Announcing Staff is a group of students who aid the school by making announcements over the public address system during homeroom period. In an effort to make the morning announcements more enjoyable the Announcing Staff introduced a policy of presenting "creative announcements." Members of the staff now not only read announcements, but write advertisements for dances and other functions.

## **AUDIO VISUAL CLUB**

Audio-visual aides assist in the operating of projectors and other equipment during their study periods. Good experience is gained by learning to run, repair and deliver audio-visual equipment.

## ***CHORUS***

All students with a 7th Period study may join the school chorus. Practice sessions are held during that period. The results of these sessions are heard in the Christmas and Spring Concert.

## ***DRAMA CLUB***

The Dramatics Club strives to instill in its members the basic skills of dramatic arts. This is accomplished by group instruction and performance of small skits.
